EDUCATION

BYU-Idaho - *BS, Computer Science*

01/2014 – 04/2016, 01/2019 - PRESENT

- GPA - 3.95
- Relevant Courses: Software Development, Software Engineering, Web Development, Networking, Database Design and Development, Object-Oriented Programming, Technical Communication.

WORK EXPERIENCE

Software Engineer Intern – *Information and Communication Service, LDS Church*
08/2020 – 12/2020

- Utilized JIRA to accept maintenance and new feature request tickets
- Developed and maintained 5 different Web Applications using Angular/AngularJS for the frontend and Java Spring Boot for the backend
- Resolved about 100 issues, including bugs fixing and new features implementing, over the 4-month period

Teaching Assistant – *BYU-Idaho*
01/2021 – PRESENT

- Classes: JavaScript, Programming with Classes (in Python and C#)
- Designed, built, and debugged large final project demo of more than 6,000 bug-free lines of code, both in Python and C# over a 6-month period

Tutor/Supervisor - *Math Study Center, BYU-Idaho*
01/2019 – 07/2020

- Supervised groups of 6 to 7 tutors during math lab hours, ensuring enough tutors are present and that the math lab's policies are followed
- Taught and explained difficult concepts from multiple levels of math to multiple students a week

VOLUNTEER EXPERIENCE

Full-time Volunteer - *LDS Church, Long Beach, California*
04/2016 – 04/2018

- Utilized various software to edit videos and other teaching materials
- Maintained a working schedule of 12 hours a day, 6 days a week to find, set up appointments and teach
- Trained new volunteers to set goals, make plans and teach
